

K-LOVE is the only radio station I listen to because it offers encouraging and uplifting music and inspirational messages that I benefit from hearing every day. I feel without K-LOVE, my hometown of Hollister, California would be missing out on a positive alternative to radio listening. I feel it is in the best public interest to keep K-LOVE on the air in my community to offer anyone the opportunity to hear about God's love and concern for them so they feel better and thus act better.
